

# Kenya Safari Preview

## November 4<sup>th</sup>

Is an African Safari on your “Bucket List”?

Do you want to be close enough to hear the lions panting and the hippos grunting? Would like to walk past baboons on your way to dinner? Do you want to see active nocturnal creatures in their natural habitat? Would you like to experience the animals awakening to an African sunrise? I know you want to kiss a giraffe!

This is your chance to take that adventure with an experienced tour company. TRIPS, Inc has been taking groups to Africa for many years. They have the best local guides and are warmly welcomed at every stop. More importantly, they are with you throughout the trip to be sure every detail is taken care so your safari is an exceptional once-in-a-lifetime adventure.
